2 Is the applicant also requesting the recurring item exception (section 461(h))? (See page 4 of the instructions.) **Yes** **No**

Part II Change to the Cash Method (See page 4 of the instructions.)

Applicants requesting a change to the cash method must attach the following information.

- 1** A description of the applicant's investment in capital items and leased equipment used in the trade or business, and the relationship between these items and the services performed by the business.
- 2** A description of inventory items (items that produce income when sold) and materials and supplies used in carrying out the business.
- 3** The number of employees, shareholders, partners, associates, etc., and a description of their duties in carrying out the applicant's business.
- 4** A schedule showing the age of receivables for each of the 4 tax years preceding the year of change.
- 5** A schedule showing the applicant's taxable income (loss) for each of the 4 tax years preceding the year of change.
- 6** A profit and loss statement showing the taxable income (loss) based on the cash method for each of the 4 tax years preceding the year of change.

Schedule B—Changes Within the LIFO Inventory Method (See page 4 of the instructions.)**Part I General LIFO Information**

Complete this section if the requested change involves changes within the LIFO inventory method. Also, attach a copy of all **Forms 970, Application To Use LIFO Inventory Method**, filed to adopt or expand the use of the LIFO method.

- 1 Attach a description of the applicant's present and proposed LIFO methods and submethods for each of the following items.
 - a Valuing inventory (e.g., unit method or dollar-value method).
 - b Pooling (e.g., by line or type or class of goods, natural business unit, multiple pools, raw material content, simplified dollar-value method, pooling method authorized under inventory price index computation (IPIC) method, etc.).
 - c Pricing dollar-value pools (e.g., double-extension, index, link-chain, link-chain index, IPIC method, etc.).
 - d Figuring the cost of goods in the closing inventory over the cost of goods in the opening inventory (e.g., most recent purchases, earliest acquisitions during the year, average cost of purchases during the year, etc.).
- 2 If any present method or submethod used by the applicant is not the same as indicated on Form(s) 970 filed to adopt or expand the use of the method, attach an explanation.
- 3 If the proposed change is not requested for all the LIFO inventory, specify the inventory to which the change is and is not applicable.
- 4 If the proposed change is not requested for all of the LIFO pools, specify the LIFO pool(s) to which the change is applicable.
- 5 Attach a statement addressing whether the applicant values any of its LIFO inventory on a method other than cost. For example, if the applicant values some of its LIFO inventory at retail and the remainder at cost, the applicant should identify which inventory items are valued under each method.

Part II Change in Pooling Inventories

- 1 If the applicant is proposing to change its pooling method or the number of pools, attach a description of the contents of, and state the base year for, each dollar-value pool the applicant presently uses and proposes to use.
- 2 If the applicant is proposing to use natural business unit (NBU) pools or requesting to change the number of NBU pools, attach the following information (to the extent not already provided) in sufficient detail to show that each proposed NBU was determined under Regulations section 1.472-8(b)(1) and (2):
 - a A description of the types of products produced by the applicant. If possible, attach a brochure.
 - b A description of the types of processes and raw materials used to produce the products in each proposed pool.
 - c If all of the products to be included in the proposed NBU pool(s) are not produced at one facility, the applicant should explain the reasons for the separate facilities, indicate the location of each facility, and provide a description of the products each facility produces.
 - d A description of the natural business divisions adopted by the taxpayer. State whether separate cost centers are maintained and if separate profit and loss statements are prepared.
 - e A statement addressing whether the applicant has inventories of items purchased and held for resale that are not further processed by the applicant, including whether such items, if any, will be included in any proposed NBU pool.
 - f A statement addressing whether all items including raw materials, goods-in-process, and finished goods entering into the entire inventory investment for each proposed NBU pool are presently valued under the LIFO method. Describe any items that are not presently valued under the LIFO method that are to be included in each proposed pool.
 - g A statement addressing whether, within the proposed NBU pool(s), there are items sold to others and transferred to a different unit of the applicant to be used as a component part of another product prior to final processing.
- 3 If the applicant is engaged in manufacturing and is proposing to use the multiple pooling method or raw material content pools, attach information to show that each proposed pool will consist of a group of items that are substantially similar. See Regulations section 1.472-8(b)(3).
- 4 If the applicant is engaged in the wholesaling or retailing of goods and is requesting to change the number of pools used, attach information to show that each of the proposed pools is based on customary business classifications of the applicant's trade or business. See Regulations section 1.472-8(c).

Part III Change to Inventory Price Index Computation (IPIC) Method (See page 4 of the instructions.)

If changing to the IPIC method, attach the following items.

- 1 A completed Form 970.
- 2 A statement indicating which indexes, tables, and categories the applicant proposes to use.

Section A—Allocation and Capitalization Methods (Schedule C, Part III continued.) (See page 4 of the instructions.)

Attach a description (including sample computations) of the present and proposed method(s) the applicant uses to capitalize direct and indirect costs properly allocable to property produced or acquired for resale. Include a description of the method(s) used for allocating indirect costs to intermediate cost objectives such as departments or activities prior to the allocation of such costs to property produced or acquired for resale. The description must include the following information.

- 1 The method of allocating direct and indirect costs (i.e., specific identification method, burden rate method, standard cost method, or other reasonable allocation method).
- 2 The method of allocating mixed service costs (i.e., direct reallocation method, step-allocation method, simplified service cost method using the labor-based allocation ratio, or the simplified service cost method using the production cost allocation ratio).
- 3 The method of capitalizing additional section 263A costs (i.e., simplified production method with or without the historic absorption ratio election, simplified resale method with or without the historic absorption ratio election including permissible variations, or the U.S. ratio method).

Schedule D—Change in Reporting Advance Payments and Depreciation/Amortization

Part I Change in Reporting Advance Payments (See page 4 of the instructions.)

- 1 If the applicant is requesting to defer advance payment for services under Rev. Proc. 71-21, 1971-2 C.B. 549, attach the following information.
 - a Sample copies of all service agreements used by the applicant that are subject to the requested change in accounting method. Indicate the particular parts of the service agreement that require the taxpayer to perform services.
 - b If any parts or materials are provided, explain how the parts or materials relate to the services provided and provide the cost of such parts or materials as an absolute number and a percentage of the contract price.
 - c If the change relates to contingent service contracts, explain how the contracts relate to merchandise that is sold, leased, installed, or constructed by the applicant and whether the applicant offers to sell, lease, install, or construct without the service agreement.
 - d A description of the method the applicant will use to determine the amount of income earned each year on contingent contracts and why that method clearly reflects income earned and related expenses in each year.
- 2 If the applicant is requesting a deferral of advance payments for goods under Regulations section 1.451-5, attach the following information.
 - a Sample copies of all agreements for goods or items requiring advance payments used by the applicant that are subject to the requested change in accounting method. Indicate the particular parts of the agreement that require the applicant to provide goods or items.
 - b A statement providing that the entire advance payment is for goods or items. If not entirely for goods or items, a statement that an amount equal to 95% of the total contract price is properly allocable to the obligation to provide activities described in Regulations section 1.451-5(a)(1)(i) or (ii) (including services as an integral part of those activities).

Part II Change in Depreciation or Amortization (See page 4 of the instructions.)

Applicants requesting approval to change their method of accounting for depreciation or amortization complete this section. Applicants must provide this information for each item or class of property for which a change is requested.

Note: If the property has been disposed of before the beginning of the year of change, a method change is not permitted for that property. See **Automatic Change Procedures** on page 1 of the instructions for information regarding automatic changes under sections 167, 168, and 197. Also see **When Not To File Form 3115** on page 4 of the instructions for information concerning retroactive elections and election revocations.

- 1 Is depreciation for the property figured under Regulations section 1.167(a)-11 (CLADR)? **Yes** **No**
If "Yes," the only changes permitted are under Regulations section 1.167(a)-11(c)(1)(iii).
- 2 Is any of the depreciation or amortization required to be capitalized under any Code section (e.g., section 263A)? **Yes** **No**
If "Yes," enter the applicable section ►
- 3 Has a depreciation or amortization election been made for the property (e.g., the election under section 168(f)(1))? **Yes** **No**
If "Yes," state the election made ►
- 4a To the extent not already provided, attach a statement describing the property being changed. Include in the description the type of property, the year the property was placed in service, and the property's use in the applicant's trade or business or income-producing activity.
- b If the property is residential rental property, did the applicant live in the property before renting it? **Yes** **No**
- c Is the property public utility property? **Yes** **No**
- 5 To the extent not already provided in the applicant's description of its present method, explain how the property is treated under the applicant's present method (e.g., depreciable property, inventory property, supplies under Regulations section 1.162-3, nondepreciable section 263(a) property, property deductible as a current expense, etc.).
- 6 If the property is not currently treated as depreciable or amortizable property, provide the facts supporting the proposed change to depreciate or amortize the property.
- 7 If the property is currently treated and/or will be treated as depreciable or amortizable property, provide the following information under both the present (if applicable) and proposed methods.
 - a The Code section under which the property is depreciated or amortized (e.g., section 168(g)).
 - b If the property is depreciated under section 168, identify the applicable asset class in Rev. Proc. 87-56, 1987-2 C.B. 674. (If none, state so and explain why.) Also provide the facts supporting the asset class under the proposed method.
 - c The depreciation or amortization method of the property, including the applicable Code section (e.g., 200% declining balance method under section 168(b)(1)).
 - d The useful life, recovery period, or amortization period of the property.
 - e The applicable convention of the property.
