Federal Tax Deposit Coupon
Form 8109-B (Rev. 12-2002)

↑ SEPARATE ALONG THIS LINE AND SUBMIT TO DEPOSITARY WITH PAYMENT ↑ OMB NO. 1545-0257

Note: Except for the name, address, and telephone number, entries must be made in pencil. Use soft lead (for example, a #2 pencil) so that the entries can be read more accurately by optical scanning equipment. The name, address, and telephone number may be completed other than by hand. You cannot use photocopies of the coupons to make your deposits. Do not staple, tape, or fold the coupons.

Purpose of form. Use Form 8109-B to make a tax deposit only in the following two situations:

- You have not yet received your resupply of preprinted deposit coupons (Form 8109); or
- You are a new entity and have already been assigned an employer identification number (EIN), but you have not received your initial supply of preprinted deposit coupons (Form 8109). If you have not received your EIN, see **Exceptions** below.

Note: If you do not receive your resupply of deposit coupons and a deposit is due or you do not receive your initial supply within 5-6 weeks of receipt of your EIN, call 1-800-829-4933.

How to complete the form. Enter your name as shown on your return or other IRS correspondence, address, and EIN in the spaces provided. Do not make a name or address change on this form (see Form 8822, Change of Address). If you are required to file a Form 1120, 990-C, 990-PF (with net investment income), 990-T, or 2438, enter the month in which your tax year ends in the MONTH TAX YEAR ENDS boxes. For example, if your tax year ends in January, enter 01; if it ends in December, enter 12. Make your entries for EIN and MONTH TAX YEAR ENDS (if applicable) as shown in Amount of deposit below.

Exceptions. If you have applied for an EIN, have not received it, and a deposit must be made, do not use Form 8109-B. Instead, send your payment to the IRS address where you file your return. Make your check or money order payable to the United States Treasury and show on it your name (as shown on Form SS-4, Application for Employer Identification Number), address, kind of tax, period covered, and date you applied for an EIN. Do not use Form 8109-B to deposit delinquent taxes assessed by the IRS. Pay those taxes directly to the IRS. See Circular E, Employer's Tax Guide, for information on depositing by electronic funds transfer.

Amount of deposit. Enter the amount of the deposit in the space provided. Enter the amount legibly, forming the characters as shown below:

1234567890

Hand print money amounts without using dollar signs, commas, a decimal point, or leading zeros. If the deposit is for whole dollars only, enter "00" in the CENTS boxes. For example, a deposit of \$7,635.22 would be entered like this:

DOLLARS	CENTS
00007635	22

Caution: Darken one space each in the TYPE OF TAX and TAX PERIOD columns as explained below. Darken the space to the left of the applicable tax form and tax period. Darkening the wrong space may delay proper crediting of your account.

Payroll taxes and withholding. For Forms 941, 940, 943, 945, CT-1, and 1042, if your liability was incurred during:

- January 1 through March 31, darken the 1st quarter space
- April 1 through June 30, darken the 2nd quarter space
- July 1 through September 30, darken the 3rd quarter space
- October 1 through December 31, darken the 4th quarter space

Note: If the liability was incurred during one quarter and deposited in another quarter, darken the space for the quarter in which the tax liability was incurred. For example, if the liability was incurred in March and deposited in April, darken the 1st quarter space.

Excise taxes. For Form 720, follow the instructions above for Forms 941, 940, etc. For Form 990-PF, with net investment income, follow the instructions below for Form 1120, 990-C, etc.

Income Taxes (Form 1120, 990-C, 990-T, and 2438). To make an estimated tax deposit for any quarter of the current tax year, darken only the 1st quarter space.

Example 1. If your tax year ends on December 31, 2003, and a deposit for 2003 is being made between January 1 and December 31, 2003, darken the 1st quarter space.

Example 2. If your tax year ends on June 30, 2003, and a deposit for that fiscal year is being made between July 1, 2002, and June 30, 2003, darken the 1st quarter space.

To make a deposit for the prior tax year, **darken only the 4th quarter space.** This includes:

- Deposits of balance due shown on the return (Forms 1120, 990-C, 990-T, and 990-PF).
- Deposits of balance due shown on **Form 7004**, Application for Automatic Extension of Time To File Corporation Income Tax Return (be sure to darken the 1120 or 990-C space as appropriate).
- Deposits of balance due (Forms 990-T and 990-PF filers) shown on **Form 8868**, Application for Extension of Time To File an Exempt Organization Return (be sure to darken the 990-T or 990-PF space as appropriate).
- Deposits of balance due (Form 1042) shown on **Form 2758**, Application for Extension of Time To File Certain Excise, Income, Information, and Other Returns (be sure to darken the 1042 space as appropriate).
- Deposits of tax due shown on **Form 2438**, Undistributed Capital Gains Tax Return (darken the 1120 space).

Example 1. If your tax year ends on December 31, 2003, and a deposit for 2003 is being made after that date, darken the 4th quarter space.

Example 2. If your tax year ends on June 30, 2003, and a deposit for that fiscal year is being made after that date, darken the 4th quarter space.

How to ensure your deposit is credited to the correct account.

1. Make sure your name and EIN are correct;
2. Prepare only one coupon for each type of tax deposit;
3. Darken only one space for the type of tax you are depositing;
4. Darken only one space for the tax period for which you are making a deposit; and
5. Use separate FTD coupons for each return period.

Telephone number. We need your daytime telephone number to call if we have difficulty processing your deposit.

Miscellaneous. We use the "IRS USE ONLY" box to ensure proper crediting to your account. **Do not** darken this space when making a deposit.

How to make deposits. Mail or deliver the completed coupon with the appropriate payment for the amount of the deposit to an authorized depository (financial institution) for Federal taxes. Make checks or money orders payable to that depository. To help ensure proper crediting of your account, include your EIN, the type of tax (e.g., Form 940), and the tax period to which the payment applies on your check or money order.

Authorized depositories must accept cash, postal money orders drawn to the order of the depository, or checks or drafts drawn on and to the order of the depository. You can deposit taxes with a check drawn on another financial institution only if the depository is willing to accept that form of payment.

If you prefer, you may mail your coupon and payment to Financial Agent, Federal Tax Deposit Processing, P.O. Box 970030, St. Louis, MO 63197. Make your check or money order payable to the **Financial Agent**.

Timeliness of deposits. The IRS determines whether deposits are on time by the date they are received by an authorized depository. However, a deposit received by the authorized depository after the due date will be considered timely if the taxpayer establishes that it was mailed in the United States at least 2 days before the due date.

Note: *If you are required to deposit any taxes more than once a month, any deposit of \$20,000 or more must be made by its due date to be timely.*

When to deposit. See the instructions for the applicable return. For deposit rules for employment taxes, see Circular E (Pub. 15). You can get copies of forms and instructions by calling 1-800-TAX-FORM (1-800-829-3676) or by visiting IRS's Web Site at www.irs.gov.

Penalties. You may be charged a penalty for not making deposits when due or in sufficient amounts, unless you have reasonable cause. This penalty may also apply if you mail or deliver Federal tax deposits to unauthorized institutions or IRS offices, rather than to authorized depositories. Additionally, a **trust fund recovery penalty** may be imposed on all persons who are determined by the IRS to be responsible for collecting, accounting for, and paying over these taxes, and who acted willfully in not doing so. This penalty may apply to you if these unpaid taxes cannot be immediately collected from the employer or business. For more information on penalties, see Circular E (Pub. 15). See the **Instructions for Form 720** for when these penalties apply to excise taxes.
