Caution: Because this part requires an original signature each year and Schedule A is issued by the selected CDC only for the year of the contribution, complete the following steps after you receive Schedule A from the selected CDC:

- Make a **copy** of Schedule A. **Do not** sign or complete Part II of the original.
- Complete and sign Part II of the **copy** and attach it to the Form 8847 that you file with your income tax return.
- Keep the original Schedule A so that you can make a copy each year for the annual certification of the contribution reported in Part I.

Under penalties of perjury, I declare that the contribution in Part I continues to be a qualified CDC contribution as defined in the Form 8847 instructions; and that I have examined this form, and to the best of my knowledge and belief, it is true, correct, and complete.
