2-Year Update: Item 2b. File the form not later than December 31 of the second calendar year in each two year registration period. See 31 CFR 103.41(b)(2).

Corrects Prior Filing: Item 2c. File this form to correct a prior report. Complete Part I in its entirety and only those other entries that are being amended. Staple a copy of the prior report (or the acknowledgement from DCC if received) to the corrected report.

- See 31 CFR 103.41(b)(4).

Who should file:

Each money services business, except one that is a money services business solely because it serves as an agent of another money services business, must register. Money services businesses include:

- money transmitters;
- currency exchangers (except those who do not exchange more than \$1,000 for any one customer on any day);
- check cashers (except those who do not cash checks totaling more than \$1,000 for any one customer on any day);

See 31 CFR 103.11(n) and (uu).

Excluded from the registration requirement are the United States Postal Service, any agency of the United States, of any state or of any political subdivision of any state. At this time, persons are not required to register to the extent that they issue, sell or redeem stored value. If, however, a money services business provides money services in addition to stored value, the provision of stored value services does not relieve it of the responsibility to register, if required, as a provider of those other services.

P.O. Box 33116
Detroit, MI 48232-0116

Supporting Documentation:

A money services business must retain for five (5) years certain information in support of this registration form at a location within the United States. That information includes: a copy of the registration form and, as indicated above, an estimate of the volume of its business in the coming year.

Specific Instructions

Part I. Registrant Information

Items 3 and 4. Organization Name and Doing Business As (DBA). --

Enter the name of the organization and, if applicable, the Doing Business As name. For example, Good Hope Enterprises, Inc., DBA Joe's Check Cashing.
Items 5, 7, 8 and 9. Address. -- Enter the permanent street address, including zip code, of the registering business. Use the Post Office's two-letter state abbreviation code. A P.O. Box address may only be used if there is no street address.

Part II. Owner or Controlling Person

Items 11, 12, 13, 14, 15, 16, 17, 18, 19, 20 and 21.

Any person who owns or controls a money services business shares the responsibility for seeing that the business is registered. Only one registration form is required for any business in any registration period. If more than one person owns or controls the business, they may enter into an agreement designating one of them to register the business. The designated owner or controlling person must complete Part II and provide the requested information about himself, herself, or itself. In addition, that person must sign and date the form as indicated in Part VI. Failure by the designated person to register the business does not relieve any other person who owns or controls the business of the liability for failure to register the business.

An "Owner or Controlling person" includes the following:

Registrant Business	Owner or Controlling Person
Sole Proprietorship.....	the individual who owns the business
Partnership.....	a general partner
Trust.....	a trustee
Corporation.....	the largest single shareholder

If two or more persons own equal numbers of shares of a corporation, those persons may enter into an agreement as explained above that one of those persons may register the business.

If the owner or controlling person is a corporation, a duly authorized officer of the owner-corporation may execute the form on behalf of the owner-corporation.

Public Corporation

If the registrant business is a public corporation, it is sufficient to write "public corporation" in line 11 of Part II. Where registrant is a public corporation, a duly authorized officer of the registrant may execute the form.

Item 22. Identification -- Do not provide "other" identification unless no driver's license/state ID, passport or alien registration number is available. "Other" identification includes any official identification that is issued by a governmental authority.

Part III. Money Services Information

Item 23. Where services are offered. -- Mark the box(es) for any state, territory or district in which the money services business offers services through its branches, its agents, or both. If a service is offered on tribal lands, mark the box for the state, territory or district in which the tribal lands are located.

Item 24. Number of Branches of Registrant. -- Enter the number of branches of the money services business at which one or more Money Services Business (MSB) services are offered.

Item 25. Services Offered by Registrant. -- The services listed in Items 25a through 25g are MSB services. Mark the box of each MSB service that is offered by the registrant at its branches.

Item 26. Mobile Operation. -- If any part of the money services business is conducted as a mobile operation, check yes here. A mobile operation is one based in a vehicle, for example, a check cashing service offered from a truck. For purposes of Item 24, each mobile operation is counted as a separate branch.

Item 27. Number of Agents. -- Enter the number of agents that the

registrant has authorized to sell or distribute its MSB services. A bank is not an agent for this purpose. See 31 CFR 103.11(c) and 103.11(uu).

Part IV Primary Transaction Account

Item 28. -- Mark this box if the money services business (registrant) has more than one primary transaction account. Example: If the registrant is both an issuer of money orders and an issuer of traveler's checks and the registrant has a separate clearing account for money orders and one for traveler's checks, the box should be checked because there is a primary transaction account for money orders and a primary transaction account for traveler's checks.

Items 29, 30, 31, 32, 33, and 34. Name, Address, and Account Number of Primary Transaction Account. -- Enter the name and address of the bank or other depository institution where the money services business has its primary transaction account.

If the business has more than one primary transaction account and the box in Item 28 has been checked, enter information about the account with the greatest transaction volume as measured by value in dollars. A transaction account is defined in 12 U.S.C. 461(b)(1)(c).
