Who Must File Schedule SE

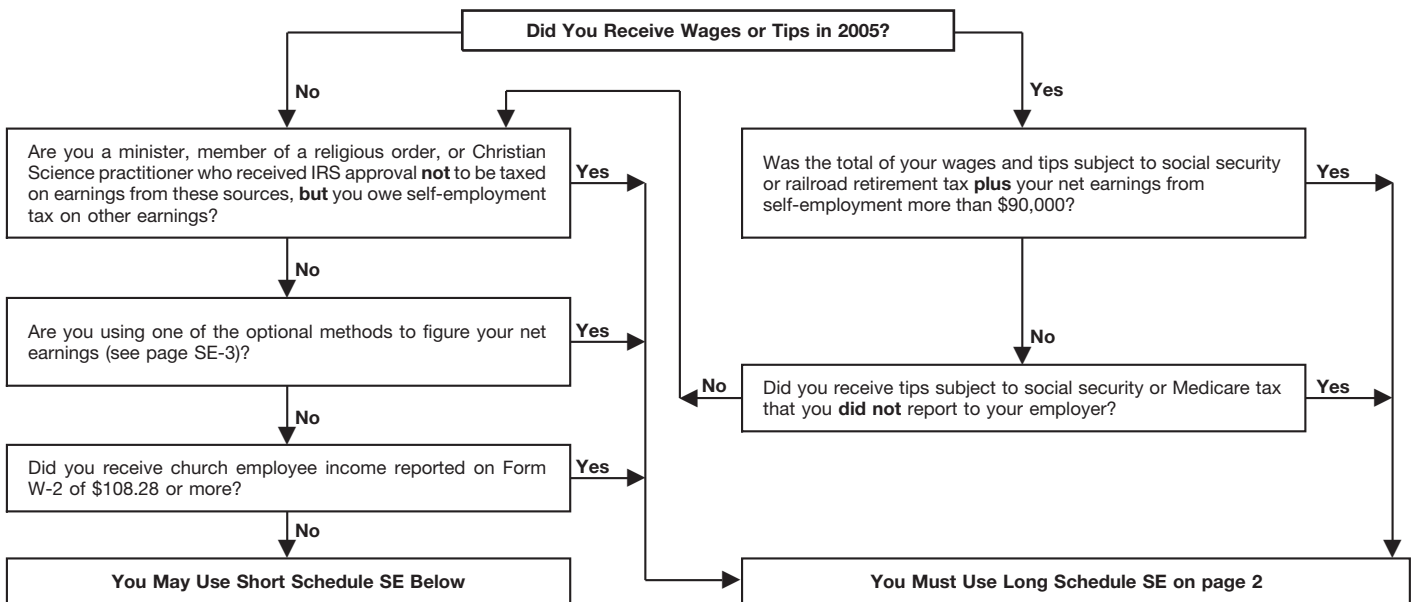

You must file Schedule SE if:

- You had net earnings from self-employment from **other than** church employee income (line 4 of Short Schedule SE or line 4c of Long Schedule SE) of \$400 or more, **or**
- You had church employee income of \$108.28 or more. Income from services you performed as a minister or a member of a religious order **is not** church employee income (see page SE-1).

Note. Even if you had a loss or a small amount of income from self-employment, it may be to your benefit to file Schedule SE and use either "optional method" in Part II of Long Schedule SE (see page SE-3).

Exception. If your only self-employment income was from earnings as a minister, member of a religious order, or Christian Science practitioner **and** you filed Form 4361 and received IRS approval not to be taxed on those earnings, **do not** file Schedule SE. Instead, write "Exempt-Form 4361" on Form 1040, line 58.
